ABOUT THE JOURNAL

Zaxred journal of religion is a broad-based scholarly, blind peer-reviewed, journal published by the Department of Christian Religious Studies, Adeyemi Federal University of Education, Ondo, Nigeria. **Zaxred** is devoted to the scientific and systematic study of world religions, their themes and, mysterious and sacred dimensions of life. However, close attention shall be given to the three prominent religions in Nigeria which are: Christianity, Islam and African Traditional Religion, interaction of these religions, and the consequences facilitated by the same shall be stressed. Zaxred encourages researches into little known area of religion and related fields.

Zaxred is from the English word “Sacred” meaning consecrated, holy, set apart mysterious efficacy, the power, being or realm understood by religious persons to be at the core of existence and transformative effect in their lives and destinies. It is available both in hard copy and online.
